

THE YARD
Grade R
Family

School work

Date: 23 April

English
Poem

Mathematics

Numbers:

Practise writing the number 4 and count out four objects.

Shapes:

Square and rectangle: Let your child show you where we can see squares and rectangles in the environment around us.

Colour:

Look for anything that is the colour black in your home.

Name things in the environment that is black.

Name things inside the house that is black.

Life Skills

General knowledge:

Name words that start with a 'h'. For example: hip, hop, hope, hill.

Gross motor skills:

Practise throwing and catching balls of various sizes.

General

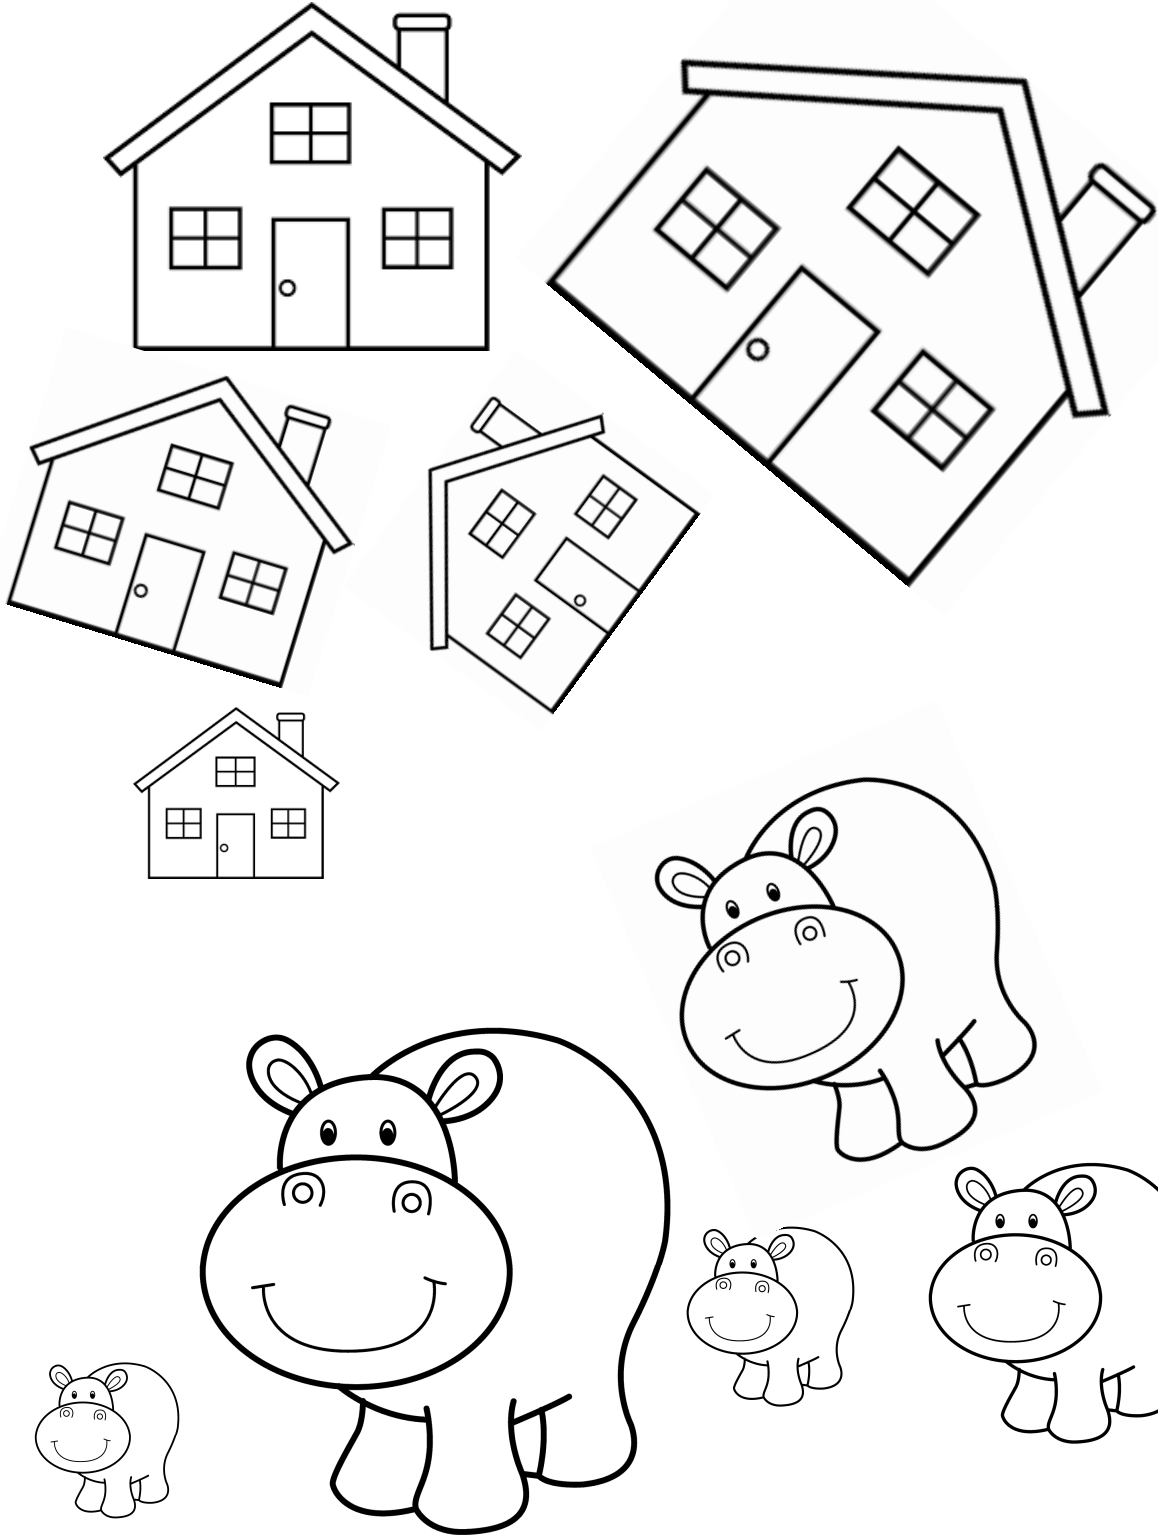

Activities:

- Colour in the largest objects. Objects start with the letter h.
- Identify and colour in only the items that start with the letter h.
- Draw your own family inside the rectangle.

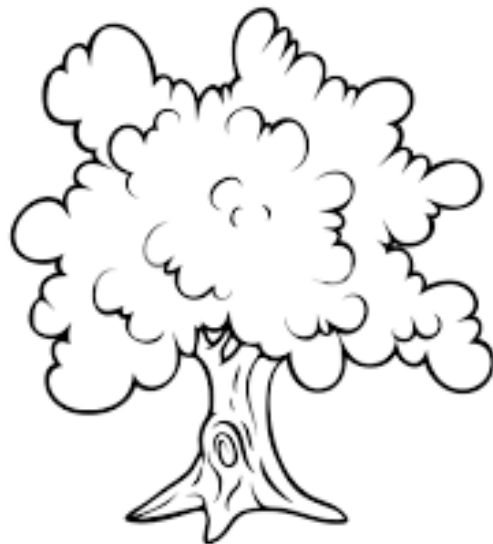

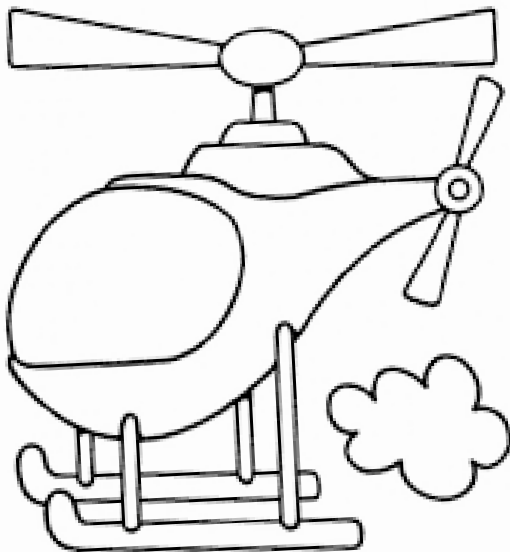

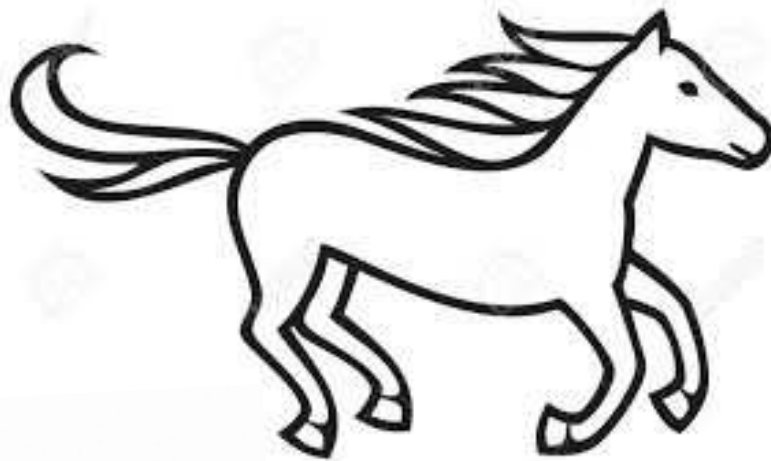

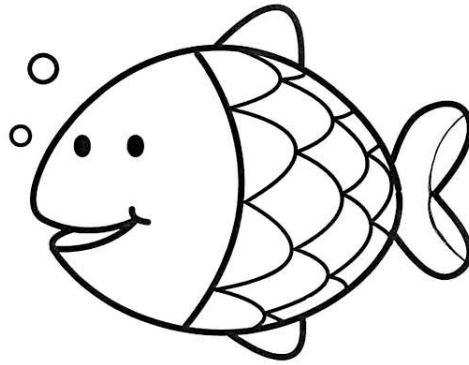

Kind Regards,

Grade R Educators

Colour in only the largest objects
Name the things
