Schoolwork   Senses / Touch   **Date: 04 May**

English

Poem:

My five senses:

My eyes can see the big bright sun,
My nose can smell hot cinnamon buns.
My ears can hear the big loud drum,
My tongue can taste good things, yum, yum!
My hands can feel the sand, what fun!
I like my senses, everyone!

Mathematics

Numbers:

Sort numbers 1 to 5. Write numbers 1, 2, 3, 4 and 5 on small pieces of paper. Ask your child to put them in the correct order. You can also do this with number names. For example: one, two, three, four and five.

Write numbers one to five in the correct order by using these rhymes.
1: Number 1 is like a stick, a straight line that is very quick.
2: Around and back on the railroad track, two-two, two-two.
3: Around the tree, around the tree. That is how you make a three.
4: Down and over and down once more. That is how you make a four.
5: You jump right in and swim around. When you get tired go back to the ground.

Life Skills

General knowledge:

Look for any object at home that starts with the letter 'a'.
Practise left and right. It is particularly important for your child to understand which side is left and which is right in order to follow instructions correctly.

Gross motor skills:

Practise bouncing and catching a tennis ball with one hand. Alternate left and right hands.
Balance a book on your child's head and let them walk across the room without dropping it. Count how many times they can walk without dropping it.

Memory and concentration:

Place three random objects in front of your child. Let them take a close look and name the objects out loud. Now cover the objects with a cloth and ask them to tell you what objects they can remember. As soon as your child is comfortable and confident with this activity you can increase the number of objects.

General:
- Colour the correct picture
- Trace the letter 'a'

Kind Regards,

Grade R Educators

Color the things that you can touch and put a square on the things you can't touch.

Sense of Touch

Color the picture

ant

apple

alligator

a

Trace the letter
