

**THE YARD
Grade R**

Date: 19 June

**School work
Theme: Coronavirus**

English

Poem:

Virus:

Virus, virus where are you?
Oh no, you got stuck on my shoe!
Please do go away very soon,
Or rather go play on the moon.

With my special mask I will fight,
Just to get back my right.
You are very bad and making our world very sad.

Virus, virus where are you?
You have got to go now, sjoo, sjoo, sjoo!

Mathematics

Use playdough to form numbers 1, 2, 3, 4, 5 and 6.

Life Skills

General knowledge:

Discuss the coronavirus with your child. Tell them that there is no need to be scared and that we will trust in the Lord.

Gross motor skills:

Play hopscotch outside.

Fine motor skills:

Use a wet face cloth and let your child wring out the water. Do this several times. Explain to your child that this exercise will help to strengthen their wrist muscles.

General:

- Adding worksheet
- Puzzle worksheet

Kind Regards,

Grade R Educators

Add the images. Draw a line between the total number of images in each box and the number on the right.
