**FEE INFORMATION – LOCKDOWN** Good Afternoon Families of The Yard, We trust that you are safe and coping within the lockdown restrictions. At the outset, thank you to the majority of our families who are up to date with the payment of their fees for Term 1 and are in advance for Term 2. This has helped to meet our staff remuneration for the month of April 2020, as well as our non-avoidable expenditure. The Yard will offer appropriate credits towards your Term 2 fees, once direction is received from the Minister of Basic Education, in respect of restructuring the remainder of the school year (2020). We reiterate our sincere thanks to those families who have already paid towards Term 2 and encourage families who are in a position to do pay Term 2 fees to do so, which will greatly assist The Yard with our cash flow for Term 2. **We appeal to those families with outstanding balances as at the end of Term 1 (with no lockdown) to settle their fees immediately.** We continue to trust in the Lord to guide our State President and his Advisors to bring us through these difficult times, safely. Thank you and take care. Rhonda and Alex de Chermont [admin@typa.co.za](mailto:admin@typa.co.za)
