FEE INFORMATION – LOCKDOWN

Good Afternoon Families of The Yard,

We trust that you are safe and coping within the lockdown restrictions.

At the outset, thank you to the majority of our families who are up to date with the payment of their fees for Term 1 and are in advance for Term 2. This has helped to meet our staff remuneration for the month of April 2020, as well as our non-avoidable expenditure.

The Yard will offer appropriate credits towards your Term 2 fees, once direction is received from the Minister of Basic Education, in respect of restructuring the remainder of the school year (2020).

We reiterate our sincere thanks to those families who have already paid towards Term 2 and encourage families who are in a position to do pay Term 2 fees to do so, which will greatly assist The Yard with our cash flow for Term 2.

We appeal to those families with outstanding balances as at the end of Term 1 (with no lockdown) to settle their fees immediately.

We continue to trust in the Lord to guide our State President and his Advisors to bring us through these difficult times, safely.

Thank you and take care,

Rhonda and Alex de Chermont

28 April 2020 Dear Parents, SALockdown diary We hope you have found the activities, notes and tips useful so far. We have added more schoolwork activities to the website's 'worksheet' page, and we will continue to add more schoolwork activities weekly, until we have confirmation of a back to school date. We are always trying to improve our approach with the schoolwork layout and content, as to make things easier for us all to cope with the challenges of distance learning. We are learning with you and have also tested out the app 'Google Duo' to have a few face to face meetings with our Teachers and Staff; our online experience was very positive and fruitful. We have permission from selected Educational sites to allow us to share some of their fun and interactive educational content on our Facebook page. <https://facebook.com/TheYardAcademy> It is important to have a wide variety of information at our fingertips, to keep our every day as exciting and rewarding as possible; however, please take note that not all of the content is suitable for our Learners. We miss our Learners so very much. We are all in this together. Three important reminders... You matter You are loved Everything WILL be okay Kind Regards, Rhonda de Chermont admin@typa.co.za
